I miss Pawpaw so much. I know its been nearly a year, but I miss him so much and still cant believe he is actually gone. I just wanna spend one more summer watching hunting shows and drinking Cheerwine with him. One more saturday getting up early and going to the coin store... I wish I could have it all back. It means so much.... Pawpaw Frank...I hope you are at peace or at least remembering the good times like I am. Ill never forget everything we got to do together. I love you and I will always remember you.
