“ Dear Angela and family,
We were shocked to hear of David's untimely passing and are so very sorry for your loss.
It is difficult to understand God's plan for us when a loved one is taken away from us and sent Home. We know Karen & Mike are waiting for him on the other side.
There are so many kind words here from people that David has interacted with while here on Earth. How wonderful. And of course you & the kids will forever have him in your hearts. So many beautiful memories.
Sending prayers for peace and comfort in the days ahead.
Love from,
Uncle Michael and Becky

“ To Dave's Family - I am deeply saddened to hear of your loss. I only knew Dave for about a year but got to know him pretty well. He was my boss and mentor for that time. He spoke of his family often, always with the highest of praise. I know he loved you. He was a stand up guy. Passionate about our successes and how we handled business and life. I will miss him. My prayers and thoughts are with you all during this difficult time. May the hurt go away and the memories last forever.

“ Comfort, peace and love to Angelia, Michael, Zach, Nicole, and the many family members and friends that are mourning David's untimely loss. David was always funny, kind, willing to help however he could, and a source of strength and wisdom for all who knew him even in a small way. He was generous in his time with our business students and shared wonderful leadership and production lessons to many groups. I always enjoyed his company at KSOB events and will remember the tremendous love he had for his family. Pamela Thompson
