“ To David's family, I know y'all won't remember me since y'all were grown and gone by the time I met David. I was in 5 the grade when we moved to 6125 Hwy 601 when my mother married Maurice Massey. You may remember my sisters Tammy and Shelia Massey. David was 9 months older than me and was my first love and first boyfriend. When being a couple didn't work out we became really good friends and spent a lot of time together growing up. He would come to down the street to our house and my brother Jr and I would go up to his house. I used to love watching your Mom when she was working with her crafts. Last year David gave me 3 of the little snowmen that Mrs. Watson had made. For the last 2 years David has gone to Christmas Eve dinner up at my Grandpa's house. I was calling him to find out if he wanted a pineapple upside down cake this year for his gift. I've made him one for the last two years. That's when Jason told me the news. I will miss seeing David at Christmas. He was a big part of my life growing up and my Mother, Dianne Massey, thought of David as one of her kids. So we have always considered David a part of the family. Our thoughts and prayers are with you during this difficult time. I do wish that they had his name right though. They have Donald Lane, not David Lane and that makes me sad. May the Lord bless you and your family now and always.

“ Barbara and Mary,
Jason and I will miss Doc terribly. He was a good man and he loved our momma so much. He was good to us and was such a hardworking man. Praying for you both during this difficult time.
