“ To Dottie’s kids, all much loved.

*We can only imagine the heartache and feelings of loss you have now. You must be hearing over and over, how precious your Mother was to all who knew her. Frank and I enjoyed our friendship with Dottie and Eddie for over 40 years. This last year, I have gotten closer to Dottie. She was a special neighbor and girl friend. There was almost nothing we didn’t discuss!*

*Tuesday night, New Years Eve, I took Dottie’s mail over and later dropped back by to visit. She was all happy and in a great mood. We mostly laughed and chatted about my upcoming trip to Florida. The visit was long and it grew dark. Dottie made me promise to email her pictures of the sunset from Vanderbilt Beach. Frank and I left to start our vacation Thursday morning and got the bad news that evening. We prayed for Dottie and followed the news from close friends. Our first sunset on the beach was on Sunday Jan.5th so I took my sunset picture for Dottie. I kept looking at it for a couple days and finally emailed it to Dottie anyway. I feel like she saw it and knew I would keep my promise. I told Dottie how we always try to take a walk before bedtime when in Naples and she loved that idea. Here, the stars are so bright, and I know Dottie is looking down on us in all that wonder.*

*God gave me Dottie, right next door to me! And it happened at a time when I had lost my dear friend. Julie. There are only so many people in this world, that “get you” and that you can sit with often and discuss family and friends, books, health, church, dealing with loss and being ready for what is left.*

*I can’t be sad; because I experienced Dottie in my life. I loved my time with her. Dottie told me things about her life before and after Eddie and about times when you kids were young and her concerns for your health and happiness now.*

*What wonderful parents you had. What a wonderful friend Dottie was to Lawanna.*

*My own special friend will forever be in my heart. Our sympathy to you, her family.*

*Nancy and Frank Eason*

“ Dottie and Eddie, Arnie and I officially became family May 21, 1994 when their beautiful daughter, Julie, married our son, Paul. We have always felt so very blessed to be part of such a wonderful family. We were blessed to share 3 beautiful grandchildren, Henry, Helen, and Amelia whom we adore. Dottie was the epitome of grace. She was beautiful, loving, caring, generous ~ a true lady whose presence brought light and love and beauty wherever she was. She taught us so much with her kind and loving ways. Her legacy of love will live on and shine through all who were blessed to know her. Thank you, Dottie, for welcoming us into your family and embracing us with your heart. Thank you for sharing your beautiful daughter with us and for blessing our son with the Love of his Life. Thank you for joyful, almost giddy moments shared when we spoke of our grandchildren with such delight! You will be so missed. May angels carry you home into the arms of your beloved Eddie and into the presence of our Loving Lord. You carry our hearts and our love with you. May beautiful memories bring comfort and precious moments of joy to all who so love you, and may the hope and promise of the resurrection bring healing and peace to broken hearts. In Love and Prayer, Livvy
