“ Edna and her family were a part of Seaside Plantation for so many years. Jeff and I were fortunate to meet her husband and her when we attended one of our first social gatherings—a warm, loving couple who made us feel so welcome. As the years have passed, we have seen Edna as our model of how we should live and flourish. Edna on any Monday could beat any of us at Bridge with the right cards, and she was playing into her 90s. She set an example for all of us in her quiet style and grace, always a lady, having a loving and generous family whom we were blessed to know too, and making all of us wish we had a son who would cook meals and freeze them for us. Her delight at her 90th birthday celebration with family and friends epitomized how Edna touched all our lives. As Edna blessed us as a neighborhood, may your memories bring you joy, comfort, and peace.

“ We owned a home next door to "Miss Edna" in Seaside for eight years. She was without a doubt one of the kindest and sweetest ladies we have ever had the pleasure of knowing. Neighbors like her are one in a million. You were all so blessed to have had such a wonderful mother and grandmother. Heaven just opened it's doors for another smiling face!

“ Edna was a wonderful woman. I played bridge with her for many years at Seaside. She was always my “wanna be” for me as I aged. I always was full of admiration for the love she had for her family and how loving her children were to her. May God put His loving arms around all of you as you mourn her passing. She felt so blessed to have all of you and you were so blessed to have had her for your Mon.

“ Edna was a truly lovely, sweet friend and neighbor. She loved playing Bridge and Mahjong in our neighborhood of Seaside Plantation. Edna always spoke kindly of everyone. God has called her home. I will miss you Edna
