“ The memories our family has with Jeff Walker are all positive. Jeff, a widower and my mom, Dorothy Dunham, a widow met approx 15 years ago, and developed a mutual caring for each other. They were able to have meals together and share many memories which they cherished. They did devotions together and sang together and while they were both mobile, went to Senior groups and activities together. After Dorothy was placed in a nursing home, Jeff visited her 3 times a day, EVERY day for years. The staff at Autumn Care learned to know Jeff and treated him as family. My brother, sister and I and spouses and families all learned to know and love Jeff as an adopted member of our "family". We enjoyed celebrating birthdays and special events together, as well as many ordinary days. We are thankful to the Lord for Jeff's entrance into our lives here on this earth, and because of our camaraderie in accepting Jesus as our Savior and Lord, we will see him again in heaven. Lovingly and Gratefully submitted, Susan Trexler (and family)
