

John Scott Robinson

November 29, 1958 - January 22, 2021

John Scott Robinson, 62 of Salisbury, passed away peacefully surrounded by his family January 22nd, 2021 following a tragic accident.

He was born November 29th, 1958 at Rowan Memorial Hospital to John Pink Robinson, Jr. and Lucy Henderson Robinson.

Scott was a beloved and devoted husband, father, son, friend and colleague. He was known by his family and across the world for his compassion, loyalty, strong work ethic and integrity. Scott had a true servants heart with endless energy.

Scott served his community diligently over the years. He was a member of the Salisbury Kiwanis Club for 33 years and served as president. He was invaluable at the Pancake Festival year after year. He served as chairman on the Salisbury City Planning Board. As a faithful and active member of St. John's Lutheran Church, he served in many capacities as a board member, usher team captain and brother in Christ. Scott became an Eagle Scout with Troop 443 in Salisbury in 1972, and later in life, he became an active scoutmaster for troop 443, earning his own Wood Badge Honor. Scott's son, Miles, received his Eagle in 2012.

In his professional career as a real estate appraiser of 35 years, Scott worked aside his father, John in their Salisbury office. He meticulously served the Appraisal Institute in many capacities, most notably as president in 2016. He most recently served on the Appraisal Institute's Board of Directors. Scott served as chair of the Appraisal Institute's CEO Search Project Team, the National Nominating Committee, the Strategic Planning Committee and many other committees in the United States and worldwide. Scott was an experienced Appraisal Screener, a Demonstration Report Grader and was a member of the Audit Committee. Last week he was to be installed into the Appraisal Standards Board, which is a part of the congressional overview of the appraisal industry of the United States Congress. We are saddened that he will be unable to fulfill this duty.

Scott is survived by his loving wife, Kimberly; children, Molly Elizabeth (Lindsey Tripp) and John Miles; parents John and Lucy Robinson. His brother, Brad Robinson (Debbie Robinson); nephew, Ryan Robinson, all of Raleigh; and niece, Mackenzie Robinson (Charlotte); his aunt Sara Robinson Banish; mother-in-law, Gail Snyder Swan, and brother-in-law, Mark Keeling, all of Salisbury. He is also survived by Margie Keeling, Mother-in-law of Thomasville, GA; and his Aunt Nancy Cattarius of Lakeland, FL.

He was the grandson of the late John Pink Robinson, Sr. and Lois Peeler Robinson of Salisbury, the late Elizabeth Harris Henderson of Florida, and the late George Harrison Keeling of Thomasville, GA.

An open visitation will be held on Tuesday January 26th, 2021 from 10:00-10:45 AM at St. John's Lutheran Church, followed by a small, private memorial service at 11:00 AM. All attendees will be asked to wear a mask and socially distance as much as possible.

In lieu of flowers memorial donations in Scott's name may be made to Salisbury Kiwanis Charities, Inc., send to Friends of Rowan, P.O. Box 262, Salisbury, NC 28145-0262 with Salisbury Kiwanis Charities in the memo or a donation to Salisbury Academy, 2210 Jake Alexander Blvd, N., Salisbury, NC 28147, for an academic scholarship to a student in need.

Summersett Funeral Home is serving the Robinson family. Online condolences may be made at www.summersettfuneralhome.com.

“ I was just made aware through a Appraisal Institute post of Scott's passing. I'm so sorry. I worked with Scott through the 90's and early 2000's on numerous committees and projects. Such a selfless individual and anchor when I would flail about. A stalwart and positive influence for all that knew him. Prayers to the family. Such a fine man.

“ Scott served as one of the instructors when I attended the Appraisal Institute Capstone course in early 2014 in Albuquerque, NM. Out of fear I wouldn't measure up I had put off completing my demonstration report f(substitute for the Capstone) for over a decade. Due to fear of failure, at the start of the Capstone class I was full of anxiety. Thanks to Scott and his calming nature my fears were soon subsided and with his guidance I was able to complete the Capstone and soon after obtained my MAI.

For your guidance I will forever be grateful! Rest in peace kind Sir!

“ Scott was everyone's friend. We are heartbroken for the family at his passing. He was very much a family man and a man of God. Scott was a GIANT in the profession. He worked tirelessly to make it better even after achieving the office of President of the Appraisal Institute. He will not be replaced, but he leaves a shining example of enduring friendship, humility, and a work ethic that was second to none. I could go on and on.

Scotty, you will never be forgotten.

“ *Words cannot express how saddened we were upon hearing the news of Scott's passing.*

As a family, we have so many fond memories of Scott - particularly from the time he visited us in Prince Edward Island as part of the Appraisal Institute - when I was the newly elected president of the Appraisal Institute of Canada. Indeed, Scott played a large part in helping to bring out two Associations closer together.

Scott not only left his impression upon Trish and I, but is also fondly remembered by our daughter Keira whom he spent time with during this visit. As many have said, Scott was the very definition of a Southern gentleman and a true professional appraiser.

Trish, Alex, Keira and I are praying for peace and strength for your whole family Kim, Miles and Molly.

My heart breaks but when I continue to read the comments I can't help but thank God for allowing Scott to touch so many lives in such a positive way. My family definitely benefited from knowing him and loving him. Praying for more rainbows to be shown to you during this thunderstorm.

“ I had the privilege and honor of working with Scott who was a brilliant appraiser and awesome human being. I got to meet Scott about ten years ago in Chicago we worked on some complex screenings together and got to hang out for dinner. I also got to meet with him a couple of years ago in Nashville. Although I have not physically seen Scott for a couple of years we collaborated virtually on international and complex screenings. We communicated on various occasions throughout the years. My wife and I were completely shocked and saddened to hear about his unfortunate and tragic accident. We will miss his Southern accent and his presence. God bless you and your family 🙏

“ Scott was one of the kindest human beings I knew. As a NC AI colleague and a friend he was ever encouraging to push forward in this wonderful career of ours. And I have done so to the best of my ability. I was in awe of his traveling spirit, even abroad. At AI meetings out of town, he used to jokingly ask if my husband was attending, that maybe he could go shopping with Kim -- chat more and spend less.... Always a sense of humor. One thing I learned new this week was that we share the same Birthday, but I knew he was the younger one.

My sincerest condolences to the Kim and the entire Robinson family. No words can express how much he was loved by all and will truly be missed across the globe.

“ Some say the measure of a person is how they make a positive influence on others. In Scott's case, the influence covers not only his community and friends but also includes an entire worldwide valuation profession. He worked unselfishly and tirelessly to advance his chosen profession locally, nationally, and internationally. Certainly, he will be missed and leave a void for many including me. But, many will celebrate the fact they were able to call him a friend and colleague and had the chance to know him and work with him. He was always a shining light and example for all.
