“ My Aunt Marsha was an amazing woman. She always had a smile on her face and was welcoming to all with open arms. I loved listening to her stories--especially those including my mom (her sister); she was quite a story teller and never failed to captivate your attention. Aunt Marsha will forever be remembered as someone I loved very much and will miss greatly.

“ My Aunt Marsha was an amazing woman, who was loving, gracious, and welcoming to all who came into her life. There was never a dull moment with her...she was always laughing, joking, and made sure you had a smile on your face too. I loved hearing her stories--especially those involving my mom (her sister) from her childhood...Aunt Marsha definitely knew how to captivate your attention. She leaves behind a legacy of love and laughter and is someone I will miss greatly!

“ In many ways, Marsha and Doug were like second parents to me during my adolescent years. I have many fond memories from when I joined Tyler and family in scouting activities and on beach trips. I haven't seen Marsha in many years, but will always think of her as one of the 'neighborhood moms.' Condolences to the entire Frick family.
