“ I can truly say that Thelma was one of the most caring ladies that I have known. I know by her testimony that she is with her savior in heaven and now she has a new body. I can only rejoice that now she is in heaven and I know one day I will see her again.

Family yes you will miss her. However find peace in all those memories that she left you. God will give you new grace in this time of grief. Praying for you all

“ We cannot grieve as others might because we know without a doubt that Thelma is with our Lord and Savior for all eternity. She waited patiently as others cared for her, but now she is whole again and with loved ones she has so deeply missed.

She was such a sweet lady to know and we were privileged to have known her since our move down here. And we look forward to seeing her again soon.

We are praying for peace for the family during this difficult time, but rejoice that she is where she wanted to be!

“ Judy, Darrell and families

I am so sorry for the loss of your mom. She was such a sweet lady. Every time that I would see her, she was smiling. Such a sweet person.

I pray for God's comfort for all of you. May He give you His strength and peace in the days ahead.
