

## William Charles Klein

October 31, 1929 - November 10, 2020

William Charles (Bill) Klein, 91, loving husband, father, and grandfather passed away peacefully on November 10th, 2020.

Born October 31st, 1929 in Joilet, Illinois, he was the son of George William and Gertrude Louise (Gertie) Wittenweg Klein. Bill was a graduate of Joilet Township High School where he enjoyed playing the clarinet in the all-boys award winning band. He then graduated from Joilet Junior College before serving four years in the Air Force as a dental technician during the Korean War. Upon his return home, he attended Marquette University and graduated with a Doctor of Dental Surgery degree. Later, he would also receive a Masters of Public Health degree from UNC Chapel Hill.

Bill began his career working for the Public Health Department training military dentists in new methods and procedures. Then to be more available to his family, he began a long and rewarding career as a dentist at the VA hospital in Salisbury, NC. He was a member of Sacred Heart Catholic Church and the Spencer Moose Lodge.

Upon retirement, Bill was better able to pursue his lifelong passion of the great outdoors. He and his wife, Sarah, went on many RV camping trips throughout the United States. He also enjoyed gardening, hunting, and most of all fishing. He spent many happy days in the bays around sunny Pine Island, Florida fishing with his family, friends, and dogs. Even in his later years, he liked to sit in his yard watching the birds, butterflies, and beauty of nature. He will be remembered by his loved ones for his quick wit, his generosity, and most of all his unconditional love for his family. He will be greatly missed.

Preceding him in death were his parents, his two siblings, Richard George Klein and Mary Lou Delaney, as well as one son, Tony Frank Klein. He leaves to cherish his memory his wife of over sixty years Sarah Bland Klein, his son Gary (Dee Dee) Klein, his daughter Kay Ann (Steve) Sohn, and his grandchildren Katelyn, Julie, and Molly Sohn and Andrew Klein.

“ Dr.. Klein was a dear friend of my dad, Jack Boyd. He worked with him at the VA and hunted together. He visited our home often, especially because he lived just a field away. Your dad was quite a character!

I pray you find peace in his home-going. He lived a full life!!

“ My father, Harvey Hinson, and Dr. Klein developed a friendship forged through their employment at the Salsibury VA Medical Center and their love for fishing and the outdoors. I am sure they have rekindled that friendship in heaven. My condolences to your family.
