“ What a nice picture of Aunt Ada. Growing up I was always excited to spend time with Aunt Ada and Uncle Russell and my cousins at their Levittown home. She always made sure we had a great time. I also truly admire the loving care she provided our Grandmother Gill in her later years. Such a special lady. My thoughts and prayers are with you all.

“ We will always consider Ada a wonderful and loving friend. She was a beautiful, sweet, friendly, giving and wonderful Christian lady. We first met her at Milford Hills United Methodist Church when my husband Michael and I started attending about four years ago. She always sat in the back row on the pulpit side of the sanctuary. We looked forward to seeing her every week. She became someone we both admired very much.

We were able to get to know Ada even better through many of the Milford Hills functions...things like Poor Mans Supper; annual Barbeque set up; and more recently the Friendly Neighborhood Club. She was always there helping out. For Friendly Neighborhood Club she was one of the callers. Since Michael and I were on Ada's list of folks to call each month, I would often talk to her on the phone. I enjoyed getting to know her through those calls and the monthly meetings. Once I became President of the FNC I worked more closely with her. She was so dedicated and always willing to help...someone I always knew I could count on.

Michael and I loved her and will miss her very much. Our hearts and prayers go out to her family.
