“ *Hi my name is Kayla and I am a local bible teacher. I am so sorry for the loss of your loved one. There is a very comforting scripture at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some true comfort during these difficult times.*

“ *I worked with Al at McGuire Nuclear Station for quiet a few years after his "retirement" from the Army. Al was always fun to be around and I enjoyed listening to all his stories, from the military to the camping and fishing and the traveling. He was also know to be a little "frugal" and would love coming in to work and tell everyone about the latest deal he got!! My sincere condolences to the family as you mourn the loss of this American Hero!!*
