“ Ken and family,

*Our deepest sympathy to you and to the family. Alice was a wonderful giving person. She opened her heart wide to her family when they needed her most. The girls and I spent time today remembering Alice. Julie said she remembered when Grandma Alice let her stay up with her until midnight watching the Olympics- specifically skating. Melissa remembered coming home from kindergarten and watching soap operas with her! We found a box of her crocheted baby afgans too. Everytime I see my crocheted table clothes I think of her and all the love that went into those lovely clothes she spent so many weeks making.*

*This is for you Bobby. Remember the Christmas your Mom let Harry sit on her lap because of Christmas! We found the picture today. He also liked to sneak into her bedroom and crawl under the covers for a nap!*

*May your memories help you. We will continue in prayer.*

*Liles, LouEllen, Julie and Melissa*
