Alice Faye Henigan Polk, age 77, of Salisbury passed away Wednesday, October 29, 2014 at Autumn Care of Salisbury.

Alice was born October 8, 1937 in Luling, TX, the daughter of the late Joseph Elzie and Hazel Marie Henigan. She was one of seven children, all living.

Ms. Polk received her B.A. in Art from LSU in 1972. She taught art in Prescott Middle School and Capital High School prior to her retirement from East Baton Rouge Parish School System. She had an artist's view of the world and frequently observed details missed by others. She had a deep appreciation for beauty in nature, and enjoyed flowers, plants, trees and animals. She was funny, wry, and well loved by many. She also made a wicked gumbo. Despite suffering from years of physical debilitation, Ms. Polk had a strong, kind and enduring spirit. In 2012, Ms. Polk relocated to Salisbury, North Carolina after living in Louisiana for 60+ years.

Ms. Polk was preceded in death by Jody, her beloved canine companion who literally saved her life on several occasions.

She was married and divorced from Jimmy Womack (deceased). She was also married to Col. James S. Polk (deceased). She enjoyed a very happy late-in-life marriage to Col. Ernest Graves (deceased).

Ms. Polk had 5 children: Jim Womack (Ruth) of Bastrop, LA, Steve Womack (Raynetta Morris) Buchanan Dam, TX, Sheila Womack (John Doherty) Salisbury, NC, William Polk (Kerri Ryan) of Philadelphia, PA and Peggy Polk (Steve Prudhomme) of Baton Rouge, LA.; grandchildren Jessica Gianelloni, Richard Womack, James Polk and Vivian Polk. Ms. Polk had many friendships that spanned decades including Don and Yvonne Fuller, Judy and Joe Kotrlik and Arlene and Neil Kestner among many others. She made special friends at Oak Park Retirement Apartments in Salisbury including Jean Kesler, Anne Hollifield, Joy Leonard (deceased) among many others.

A memorial service will be held in Louisiana at a later date.

As her health declined, Ms. Polk moved to Autumn Care Rehabilitation Center where she received compassionate, competent and loving care from the exceptional staff for the last 9 months of her life.

“ *Sending love and prayers to the beautiful, kind, and talented Ms. Faye and her family.
Growing up next door to her in Baton Rouge was such a special pleasure.
I loved getting to enjoy her art room with her. I remember getting to join her family making kid art projects one day. It was such a terrific treat! She was so encouraging and thoughtful. She always radiated such peace and grace.
And we will miss her very much.
Keeping you all in our thoughts and hearts,

“ Sheila and Family,
Even though I did not get the honor of meeting Ms. Polk, she was a topic of many conversations held with Sheila. What a wonderful Mother she must have been to generate such lovely memories that will live on as her family celebrates her life. Take a memory and keep it close every day and your mom will always be there. For Sheila, it may be the shared laughter and conversation over their daily cup of java shared together. Our thoughts and prayers are with the entire family. Love, Deb and Don Volkmer

Faye was my friend and I find this final tribute difficult to write. She was an artist, a person who saw beauty in everyday life that most of us totally missed. I learned so much from her, not just about art, but about life. In her 77 years she lived more and experienced more than some of us could do in three life times. I always compared her to a book with many chapters, each one of them just as interesting as the next. I've heard her called a gentle soul, full of grace and beauty. And she was gentle, but not meek. She was quiet, but not introverted. She loved having people around. She was most alive when surrounded by those she loved. She loved and had great pride in each of her children. She cherished each visit, letter, phone call. Through each of you Faye lives on. I found it particularly comforting that William's little Vivian was born about the time of Faye's passing. The circle of life continues and you may see little things in her that will remind you of your mother. It may be her wry sense of humor, her beauty, her gentleness or something completely unexpected. I will miss my friend, but I would not wish her to stay longer. She fought a difficult battle and she deserves to rest. I hope she and Ernest are enjoying the Mississippi State Football season. I'm pretty sure they are. Love to each of you. Judy Kotrlík
