“ Alice was a special cousin. Even though I had not seen her for some time, I have memories of other times. She lives on in the memories shared by all who knew her.
She called me in March when my brother Chris died. I understand they were close cousins and I appreciated the call and know that God's peace and comfort surrounds the entire family in this especially difficult time. She is missed.

“ Dear Family of Alice, I have loved her since high school when she was a dear Friend of my Sister, Wanda Fesperman Nixon. Alice was always so sweet and friendly. I knew her when she was a long-time F & M Bank Employee. I got to know her better and love her more when we worked together at Citizens South Bank, now South State Bank. Alice loved her Family dearly and all of her many Friends. She will be sorely missed by all of us. May precious memories comfort you. Alice is now well and very happy in Heaven. You will see her again one day. Love in Christ....Pam (and Ronnie) Walker

“ Eddie,
You were lucky like me, we married our sweetheart from School and lived together for over 50 years. Jane and I celebrated our 50th anniversary last August 10, 2019. My how our world has changed since March of this year. Alice was truly an inspiration to me, everytime I saw her at the Bank, she would strike up a conversation. She is at peace today, home with her parents and other saints who have gone on before her. I don't think it will be long until you get to join her.

This world is in utter chaos, confusion and surely Jesus is waiting on the signal from God to burst through the clouds and come get his bride and take us on to Heaven. The bad part for you is that Alice beat you there. Remember this, she is right beside you and will be everyday until you take the same journey she just made.

God bless you during this time of sadness and loneliness. She truly was an angel and I know you are going to miss her everyday.

“ I used to see and talk with Alice at the bank over the years since I was a teenager. She was a beautiful person and I think the world is a much lonelier place without her in it.
