“ To the family- Sorry to hear of Denise passing. Ray 's brother Joe was my father in law so I had some association and memories of the family. Wayne and I would sometimes ride by their parents house close to the railroad yard.

“ Pat and Tommy I am so sorry Denise is no longer with us. She was a great person, really smart with a wonderful personality. During tax season she always kept Ray and myself laughing our heads off. We had great conversations at RCCC back in the 90's making plans for our furtures. I have thought about her often over the years and wondered how she was doing. It saddens me to know she is gone, but I know she is with Ray and they are doing father\ daughter things in heaven. My thoughts and prayers are with your family at this very sad time, I pray God heals your heart.
