“ Dear Mrs. Linda and family,
I worked with Tom for a number of years in the Expense Payables Dept at Food Lion back in the mid 1990's. We enjoyed hearing him commentate, from his desk, during the workday. One snowy day, when I was still living in GQ, he gave me a ride to work. Since then, I have seen him out and about and we would catch up. I recently saw him one Sunday after church at Cracker Barrel Kand commented on how dapper he was dressed that day. Tom was always smiling and talking about his family. I know he loved you all. Just wanted you to know that I share your grief and pray for you all during this difficult time.##imported-begin##Dee Smith##imported-end##
