“ Tommy and I are so sorry to hear of Angie's passing. I can't imagine how difficult this must be for the children, her grandchildren and her siblings. Although I don't know the words that might ease your pain, please know Tom and I are thinking of you all.

Tommy has told me wonderful stories of when Angie was young and he called her Pookie. I remember going to her home when she lived in Morganton and visiting her family there. She took us to see her horse and let our children ride him, while she walked beside them.

She may have gone through some hard times but through it all, she kept her beautiful heart. Rest In Peace Angie. Spread your wings and fly high with the angels.
