“ It was with great sadness that we learned of the passing of our Aunt Angie. It always hurts to lose someone but it's also comforting to know she is now with her sister and two of her brothers again.  
It was so wonderful that we got to see her about a month ago and we are so thankful she made the trip up north even though it must have been so difficult to travel.  
Our condolences go out to her family in North Carolina. All out love, John & Leone.##imported-begin##John Semerano Jr.##imported-end##
