“ *My Gram, I miss you so much, we all do. My girls talk about you all the time. I know you can't read this right now but I feel you from time to time, peeking over my shoulder. I'm reading more of your books these days, you'd be happy to know that.*

“ *To Steve and the Binder family,*

I saw your mother's obituary on the KHS Alumni website. Please accept my heartfelt condolences.

I can picture your Mom and Dad at ball games, school events, town functions, etc. from when we were kids through Kearny High, like it was yesterday.

Clearly and strongly, their legacy lives on through their children, grandchildren, and great grandchildren.

Sincerely,

*Paul Corrente
