“ I'm so sad to hear of Ann's passing. She was my teacher but more often my guardian angel. I was a hungry, homeless teen. She fed me, taught me, and loved me. I'll forever be grateful

“ I remember when Ann and my mom started teaching together at BOCES. They became lifelong friends. Ann always welcomed us as kids to her home. We still talk about how on the way home from our family vacation 11 years ago we got to see Ann and Dick at their home. Ann had Easter baskets waiting for my kids. She will always have a place in my ❤️.

“ Many years ago I was a new employee of Erie 1 BOCES at Kenton. Your mom was the first friend I made and she guided me through my first years at BOCES. I came to think of her as a friend not just mentor. I am very sorry for your loss and will keep her and your families in my thoughts and prayers Joan Ruh
