“ Joe and Family - Our love and prayers go out to you with the death of your sweet Anna. Can picture her now walking her dog up the hill in the afternoons. We always stopped and talked to her. Sometimes it would be Anna and Paula if Paula was visiting. You were always so good to her and have been so caring while she has been sick. I know she enjoyed all her trips back to Germany. May God be near to all of you during this parting time with dear Anna. Love you and your family and all the happy times we've spent in Westcliffe. Renda and Lipe Barrier
