“ Folks, so very sorry to note your wife and mother's passing. An awful lot of nice memories of being neighbors and friends all those years growing up in Cleveland. I think our moms wore out a path across Riverside Ave from all the visiting. And it seemed I could never get away with anything in the neighborhood without one of our moms knowing about it. Still wonder who had more fun being active in the scouts, our moms or ourselves. :) Sorry we didn't keep in touch over the years but I'm sure about now your mom and mine are swapping stories and renewing an old friendship. I wish you all peace in the future! Take care,
