“ *The day I picked Laurie to be my roommate during visitation to college was the best day I have ever experienced. It started out strange but I remember seeing Laurie and her mother walking in to the check in area and I thought that they looked nice...boy was I wrong!! They were WONDERFUL! They took me and treated me like I was family and that is how I remember Momma Anne. She treated me like I was her daughter, not just her daughter's friend. She was very loving and kind and I will cherish the fact that I was accepted into her family. My heart grieves for the family as I know she will be missed greatly. But OH the sounds in Heaven right about now...*
