“ I tell friends and relatives that even though Annette was only 2 years older than me, she practically raised me during after-school hours from 1961 - 1964 when my brother David, Sister Darlene, and I would often walk with she and cousin Terry to their house on Church Street to await my dad picking us up after dark! During these times, Annette was understood as the boss! Today I am thankful for her watching over all of us...even though she never earned a dime for it and probably got gray hair earlier than she needed partly as a result of our testing her patience. She is at rest in a Peaceful Place now and will be missed by friends and family alike. I will be at the pre-service and funeral on this Wednesday. Sympathy to the family and especially Terry, Henry, Terri, and April at this time. -Cousin Ken (Wilson)

Ken, she was STILL understood as the Boss..up until the moment she left us. In fact, Friday evening when I went to see her I had said to Daddy he needed to shave that fuzz off his face, lol..he's growing a beard. He said he wouldn't, so I looked at Momma and said, Momma..tell Daddy to shave that mess off! Lol. He insisted he wasn't going to, so I said Momma's the Boss around here..she'll tell you to shave it off. I know where I get it from, and know it's an honest trait, lol. She was my best friend..I love her, always will..and will miss talking to her every day. We're all sad for her passing, but I think I can speak for all when I say we are relieved that she no longer has to suffer.
