“ *Annie was certainly one of a kind!! Although I never knew her before she became a resident at Autumn Care, I know she was a sweet lady but also a little fireball!!! She talked so soft and sweet to her babydoll but at times she would want to tear us up because in her mind she thought we were doing wrong!! I also remember her feeding a toy cat we had at the desk!! It was easy to see she had love in her heart even though her mind said different sometimes. She also was blessed with 3 understanding daughters that loved her❤️ Y'all are very lucky to have each other, Annie raised a good family!!*
