“ Tony stole my phone while we were blocking traffic for a tractor ride in West Rowan. Here are a few selfies he took of himself. Always the light in the room and always made the dark turn bright. Will miss him more than words can express.

“ *While I never had the opportunity to know Tony, I was lucky enough to get to hear just how special his daughter thought he was. What a special bond they shared. Every time Madeline spoke of her Dad, she couldn't help but smile.*

“ I've had the pleasure of working directly with Tony for the past 7.5 years. He would often joke that he "was not a role model" but in reality he was a great mentor and helped me grow both professionally and as a person. He was very loyal and his integrity was second to none. He always considered my family's schedule and needs above his own when it came to work/life balance. Thank you Tony for everything, and I be looking for you in heaven one day to catch up. - Marty

“ Because of our last names, Tony and I were usually seated right next to each other in class and at special events. He was just an all-around good person, generous, caring and kind. Many years later, when I was working at Our State Magazine, I needed a “quintessential farm” setting for a photo shoot and Tony quickly and graciously offered up his family’s spot, which was perfect for what we needed. I know he will be missed by so many people and his family is in my thoughts.

“ I’m going to miss Tony’s sense of humor and his kind soul. Literally one of the smartest people I’ve ever met. He had a heart of gold and was always thinking of others first.

We are better humans for having him in our lives.

No more pain for you, my friend. I bet St. Peter has some computer issue that needs your attention, but look down on us occasionally because we’re sure gonna miss you.

Much love and prayers Christie, Madeline and Jack.
