“ *My heart goes out to you all and I know that your heart aches, I can't imagine the pain that you feel and never want too, but we all must understand that this is the Lord's plan and we just have to know that he knows better than we do what is his ultimate plan for us all and he had a reason to bring Austin home to him now. Be strong and many, many years from now you will see him again.##imported-begin##Phillip Christie##imported-end##*
