I can see her in the living room ironing Clothes and dancing and singing to her favorite songs.. I know she is no longer sick now, she has her Mom and Dad and her Sister with her. Even my Granny, I'm sure they are having one big reunion together. But I know one day I will be with her again!! I Love and miss you so much Moma!! Heaven gained a beautiful Angel!!!

“ *My Nana, was a Beautiful, Caring and the Sweetest Women you'll ever meet. She had a heart of Gold and would take care of you even if she didn't even know you. She loved all her Daughters, Grandchildren, and Great Grand Children. I'm always gonna miss and cherish our memories me and her had together. I'll never forget always coming over and spending so many days with her. When we went to the beauty salon, waking up and her cooking breakfast and making my favorite livermush and we laugh at the kitchen table together. Or us taking long walks around the neighborhood, or just watching Wheel of Fortune and sitting her in her green chair with me in her lap. She was my Beautiful Sunshine. I'll always Love you my sweet Angel. Watch over me ❤️*
