“ Barbara was the sister of our daughter-in-law Debbie Gentry McClintock. Our son Gary began dating Debbie in middle school after which they were married 39 years , so we have known Barbara for many years. She was a true inspiration to the "many" who knew her and to the students she taught. Our grandson Dylan was one of her students many years ago and he always thought the world of her, as did the many other students over the years who had the privilege of having her as their teacher. Her family is very devoted to each other which is a true blessing to each of them. Having known her for many years, I am sure she is now out of pain and with our God and her family members, including her beloved "Jay", who went before her and I am sure God and the angels welcomed her with open arms as they sang "hallelujah " in her honor. She was indeed a window through which others could see Jesus and the plans He had for her have now been completed. Enjoy and rest in peace, Barbara.
