“ Was a few years older than Barbara, but we grew up very close together. Her Mom was my 8th grade teacher and remember her Dad from the ice cream plant. Was so sorry to hear of her death. Please accept my condolences in the loss of your Mom and Grandmother.

“ Barbara lived beside my grandmother Ocie Mackie, she and I were very close friends growing up, many happy memories at her home playing at her playhouse, dressing up, writing plays, etc. I put her hair up in a french twist (new style!) for one of our pictures in elementary school. Hate we lost touch, prayers for the family, Sara Mackie Queen

“ I have many fond memories of play dates with Barbara in the woods surrounding her house and in the family's ice-cream plant. We would watch the hand made ice-cream sickles traveling down the conveyer belt and then being hand painted. Her Dad would always let us pick out our favorite. Barbara and I have not been in touch as adults but I wanted to let the family know that she was a fun and adventurous playmate when we were little girls.

“ I knew Barbara and her family as I also grew up in Granite Falls. I graduated a couple of years ahead of her. Her mother was my 8th grade teacher. I haven't seen her in many years, but I can see that she has had a lovely family. We were so sorry to hear of her death, and will certainly keep all of her family in our thoughts and prayers. God's blessings and peace.
