“ Barbara, Just after a few conversations with you (which lead to many more) it was easy to tell how much you cared for your family and friends and that you would do anything for them with out hesitation. Your daughters and grand daughter made you smile in any conversation no matter the story you were telling. Your heart and your caring did not stop with them though, you cared for your community as well. Whether it was at church, the local shelter, the board of elections, you were always willing to lend a hand. Thank you. To the family our love, thoughts and prayers are with all of you.

“ *We're stunned and saddened at the earthly loss of Barbara, a St. John's sister and fellow Pennsylvanian from the Philly area. She was an unassuming, behind-the-scenes, salt-of-the-earth volunteer, especially at events like funeral receptions, carrying out trays of sandwiches or cookies. Although she often looks serious in photos, she was usually smiling & joking. Another reminder of the unpredictability of life, & to be thankful for each day & loved ones. Praying for you, Kristin, Shawne, & Bethanie, B.J. & Michael Connor*
