“ My dearest sympathy to the entire Harmon family, you are all in many thoughts and prayers. It was a great privilege to know and to work with Barry. He was not only a great person to work for, but he was also a friend and a great mentor, and he was always willing to teach anyone that would listen to him. He will be greatly missed by many, and many of his important lessons will always be engrained in the minds of his peers. Barry was a man that truly did care about the people around him, and would help out anyone that was in need.###imported-begin##Brandon Lambert###imported-end##

“ I grew up at Ellis Cross Rds with Barry as one of my good friends. I have great memories of him as a young man. He broke my ankle while playing football. Believe me I often think about him because of that. He was a good soul and will be missed.##imported-begin##Dennis Parris##imported-end##
