“ What moves through us is a silence, a quiet sadness, a longing for one more day, one more word. We may not understand why you left us so soon, or why you left before we were ready to say goodbye, but little by little, we begin to remember not just that you died, but that you lived! And that your life gave us memories we will never forget. We will miss your smile and laughter, wit and charm. You will forever be in our hearts.

*May you find peace and comfort in God's arms. Rest well friend!*

*Love,*
