“ Ben,
We will miss you so very much. You were such a great friend to my Mom, Barbara over the last several years. High School buddies, you were. Your reconnection and renewed friendship has brought her great joy over the last 10 years. Mom always tells the best stories about you and your extraordinary adventures through life. Awesome legacy you leave and a blessed life you led. Always looking out for others...More stories to be told for sure.

I remember the times we spent together and they all make me smile.

Thank you Ben for being a "Go Giver" and God bless you brother!

With love,

Steven Spencer & Barbara Richmond
