“ A short while after joining a beginner line dance class with a friend, I got the opportunity to observe Betsy in her class and saw immediately that she was a very good dancer. When I joined her class, I was fortunate to become friends with Betsy and the other ladies who all made me feel welcome. Betsy inspired me in many ways and I will miss her. My thoughts are with her sons and their families and I hope that time and love will offer them comfort.

“ I taught with Betsy in the business department at Forbush High School in Yadkin County. She was an outstanding educator loved by her students and peers. We spent many days outside the classroom as roommates at vocational conferences--such fond memories of both fun and serious times. Although I never met her family, I know how much she loved all of you. May God hold you in His loving arms as you celebrate the life of a remarkable lady.

“ How very blessed I was to have known and danced alongside Betsy for several years! We all had such fun together sharing laughs and of course trying to learn a new dance! I remember her zest for life and consideration for others! She left us beautiful memories that I will always cherish!

“ I met Betsy when joining the line dance club, Tri-County Scooters. Oh what a lovely lady she was, and what a beautiful dancer she was. We shared so many Friday nights, dancing at the Moose Lodge. How greatly she will be missed by everyone who know and loved her. My heartfelt sympathy to all family and friends. Jean C. Aube

“ *Betsy, I love you and I'll miss you. You enriched my life in so many ways. Who's going to set me straight on southern etiquette? You were so gracious, funny, forgiving, entertaining, and much more. I saw many parts of this state thanks to your guidance. You opened my eyes to so much . This world has lost a wonderful woman, but heaven has gained a true angel. To the Greene family, I pray you find the comfort Jesus provides to us.*
