“ We sure enjoyed the times we were able to get together with Bettie for lunch and visits. Beverly did a fabulous job of making Bettie's time in Salisbury as fun-filled as she possibly could. Bettie's caregivers were absolutely the best and we always enjoyed time spent with them, too. We have fond memories of the times we were all able to spend together.

“ Beverly,

We are remembering you all in our prayers!

Bettie was a very special niece to my daddy.

(It is hard to believe they were the same age)

I always remember her as my SPECIAL nurse

at Dr. Leath's office when I had my tonsillectomy. She was so sweet

And I will always cherish my last visit with her and Jack in

Charleston.

Love,

Janet
