“ I am so very shocked of Betty's passing! It seems we were talking at the Y the other day. My heart aches as Betty was the first one to befriend me when I joined the Y. I will miss her so much. My prayers are for her family and friends grieving at this time. See you Betty when my time on earth is over.

“ The sweetest, most gracious loving Mom who together with our Dad gave us all the richest most idealic childhood and life. She was happy and fun to be around, generous, kind, talented, above all, Christlike in her thoughts, manners, gestures and words. We, her children, have been ultimately blessed to be placed within our family. We know she's been united with Christ and all the saints who've gone on before her.

“ I loved to see pictures of Betty's flowers and yard on Facebook. It was as lovely as she was. And of course-- she was a fellow Jane. Wish that family lived closer. RIP, Betty. Darling soul. cousin

“ Am sending condolences to the family. Betty was a wonderful person and friend. She was such a talented artist and quilter. When we left Salisbury she gave me one of her small paintings which I have hanging in my office. She would come to my water aerobics class at the YMCA and was always an inspiration to everyone there. She will be truly missed. I know heaven has gained a wonderful angel . Loved going to her house to see what she was always doing with her garden. I have several flowers in my garden that she shared with me. She was a wonderful friend and I will miss her.

Mrs. Sunding was one of the first RN's I met in my nursing career. She was genuine and kind throughout the I had the pleasure of knowing her. I also had the pleasure of knowing Mr. Sunding. Later on, I came to know their daughter, Debbie and recognized the same qualities. My heartfelt condolences to this family . May our Lord comfort and keep you in his capable hands.
