“ *Full of Light, Life and Love. There are no words to express the influence Tootie has had on my life, and will have, until I too breathe My last and we all are together again with the Lord Jesus.*

She told everyone they were pretty and beautiful...not because of what they looked like on the outside, but because of what she really chose to see in them.

She delighted to GIVE gifts to others...Her Christmas trees were Always overflowing at least 3 feet into the room with gifts she had gotten for other people. Never forgetting even the Least person that was there.

She loved jewelry! wearing it and shopping for it.

She was humble, she was kind, she was happy, and she showed concern for others AND Always Always, ALWAYS said I LOVE YOU!!!

I miss her so much even now, but she is still alive...only THERE and not Here now- but still alive!!
