“ *Bobby got a job at a resort called Mirror Lakes. And later I went to work there ,after dinner as we were going back to work the owner of the resort come to us and said there is a 5 year boy missing and for Bobby and to look for the boy we looked the place over and couldn't find him ,by that time 20 mintues had passed so Bobby and I decided that he must be in the swimming pool.We formed hands and walked the pool and found the little boy and we wrapped him in towels and got him out and laid him down.My other brother Clarence Leroy Jones was at our house on vacation heard the ambulance going to the resort,he said that might be Bobby or Johnny hurt over there so he drove over there and seen the little boy and without thinking about it jump down and preformed CPR on that little boy but there was no sign of life .Leroy was completely given out .we didn't save the little boys life but we all tried.Bobby myself and Leroy were a team that day.*
