“ I met Brady while hunting with Salisbury hunt club. It was always a delight to hear him recall the many hunts he had with his friends. He was ready to "teach" anyone who was willing to listen about hunting. He always let me drive his truck on drive days at the club. Everyone knew when he shot his "twice" barrel, it was louder than anything else down there. He will be greatly missed. He was a true inspiration. He will be remembered. My condolences to his family.
