“ Momma,

*I know you're gone, I know it's been awhile now. I can't help it. I miss you just as much today as I did the first day after you left. I miss our multiple daily talks, I miss my Mom, my best friend. I love you always and think of you every day.*

“ *When I come to the end of my journey  
And I travel my last weary mile  
Just forget if you can, that I ever frowned  
And remember only the smile*

*Forget unkind words I have spoken  
Remember some good I have done  
Forget that I ever had heartache  
And remember I've had loads of fun*

*Forget that I've stumbled and blundered  
And sometimes fell by the way  
Remember I have fought some hard battles  
And won, ere the close of the day*

*Then forget to grieve for my going  
I would not have you sad for a day  
But in summer just gather some flowers  
And remember the place where I lay*

*And come in the shade of evening  
When the sun paints the sky in the west  
Stand for a few moments beside me  
And remember only my best##imported-begin##James
