“ I want to tell Bret's 5 kids that he loved you all so much. You were his life, it didn't matter to him if his blood didn't run in your body. You were still his child. My daddy always said that Bret was a lot like him that his main job was to provided for his family. Have roof over their heads and food in their stomach. Bret wasn't prefect. But no one is. He loved his brothers and sisters. He loved life and he enjoyed life. I didn't get seen Bret much after daddy died, but we talked on the phone and it always ended with I LOVE YOU Pat. I LOVED him too. I'm going to miss him dearly. He was a good man a great father and good husband and good son and most of all he was a good brother. Thank you Lord for letting us have Bret for 47 years he in-packed all of our life's. I love you BRET RIP

“  
*Day by day I think of you,  
How can all of this be true?  
I can't believe you're really gone,  
I still can't accept it,  
Even after so long.  
Just the thought of you makes me cry,  
I never even got the chance to say goodbye.  
Every picture, every letter,  
I don't know if it will ever get better.  
I always smell your familiar scent,  
It makes me think of all of the times we've spent.  
I know we didn't always get along,  
And every time we talked, it would always go wrong.  
So many things I never got to say,  
I never imagined you'd ever be so far away.  
You were my brother,  
And I loved you like no other.  
In my heart you'll always be,  
You'll be my guide and help me see.  
I'll never forget your soothing voice,  
I would take your place if I had a choice.  
But now I have to let you rest,  
Although without you my world's a mess.  
I miss you with all of my heart,  
I wish we never had to part.  
I know you're always by my side,  
So now I guess this is my goodbye...I love you Bret###imported-
