“ I recognized Carl's picture immediately from the Goldsboro News Argus. We were college classmates at Mt Olive College and Pembroke. I have many fond memories of our college days. I extend my heartfelt condolences to the family.

One of my fondest memories of Carl was riding with him in his old 1949 Pontiac. To ride with Carl was a highlight of my college career. I'm sure Carl led a very productive life and is now reaping his rewards in heaven. My deepest sympathy and God bless the family.
