“ I send my deepest condolences to the family and friends of Mr. Satterwhite. Although I don't know the family personally, I'd like to offer some consolation from God's Word, the Bible. John 5:28, 29 speaks of our loved ones being resurrected, and living in the future conditions described at Revelation 21:4, which reads: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain by anymore. The former things have passed away." I pray that the promise of this beautiful resurrection gives you all hope for the future and peace of mind now!

“ We were so saddened to hear of the loss to your family and to those who knew him. Carl was a long time friend and we shared many stories of life and family memories when he would drop by Bare Furniture. We always looked forward to his visits and would be encouraged over many days after he came by. He was always so caring and generous and even shared some of his delicious blueberries with us. Our best wishes will be with you all until happier memories come first to mind.
