“ *Our prayers to the entire family. I was Carole's first partner with Rowan EMS. A shift with her was never boring and I knew she always had my back. She looked after her patients as well as co-workers and never backed down from anything. Everyone who knew Carole had the utmost respect for her. She will truly be missed.*

“ *So very sorry to hear of Carole's passing. For a number of years she was the First Aid/CPR trainer for foster parents licensed through Rowan County DSS. At least one life was saved by a foster parent because of Carole's training. What a lovely lady she was and she will surely be missed.*

“ Carol was the consummate 1st Responder and I was lucky to have had her guidance early in my career. She, Bob Ashley, me and Billy Wyodyla ran a gazillion calls together. She cut her finger off in my first Hi-Level ropes class and never once did it bother her. She brooked no nonsense in her ambulance and I've seen her start a line many a time at 90 mph. Her compassion for her fellow responders and patients alike was a true wonder to watch. This worlds a much darker place for your passing my sister!!! Godspeed

“ Carole taught several in-service classes that I attended and I had the opportunity to work with her in the final years she was running with EMS. She was a genuine person and many people in the community & public service fields owe her a great debt of gratitude.

God Speed to you T-Momma !! May the wind be at your back, the waters calm, and the sunshine upon your face.
