“ I am so sad to hear that another Angel has gone to be with the Master. He and only He knows whats best and calls us when we are ready. Keeping her memory inside of us will make sure we will always remember her and asking God for guidance will insure our longevity into His Kingdom. Sincere condolences to her family and all of her friends, she will surely be missed.

“ *Too many childhood memories to count. Cay was my best friend for many years. We cruised the streets of Salisbury in her dad's Mustang until we got caught at Al's Nighthawk. Back to sitting on the porch listening to music for us. I don't think we ever got off restriction for that one. So sad she was taken so soon. I will miss her.*
