“ Dear Norleen and Conard,  
We were so blessed to have your Mom, my godmother, in our lives!  
I have such fond memories, especially of the summers I spent with  
your family. The trips to the mountains for a picnic or to Rowan  
Dairy for a rootbeer float, playing croquet or the roller piano at your  
grandparents and the really big hugs your Mother wrapped around  
us are amongst the best memories.

Nanny will always be in my heart. My thoughts and prayers are with  
you and Uncle L.C. May you find peace knowing that you truly did  
honor your Mother with such good care and love in your hearts.

Much love,  
Phoebe###imported-begin###Phoebe Hebert Frishman###imported-
