“ *Cathy, Debbie and Hugh,
I'm so sorry to hear about the death of Catherine. However,
I can't but think there is where she wants to be...in heaven
with Hugh. Both of your parents were sweet, godly people. I
was very fortunate because I got to know them just living
across the street and doing some babysitting. They will be greatly missed by
everyone who knew them. Remember them by the many wonderful memories
you have and may the memories give you peace during this difficult time.*

*Love,
Jan Powell Morris*

“ *Catherine was a very sweet and special lady. She loved the Lord and her church.
Weather she was at church, the hospital, the nursing home or at her own home,
she always had kind words of encouragement for Paul and I. We were truly
blessed to have met her and H.T.*
