“ *To Bill and Family: My prayers are forever with you. I learned of Cathy's passing earlier today and was heartbroken. I remember her almost like yesterday teaching my bible school class when I was just a child. Now... she is teaching with the angels.##imported-begin##Amanda Taylor##imported-end##*

“ To the Melchor and Lomax families:

Please accept our condolences in regards to Cathy's passing. I knew Cathy as long as I can remember and I hated to know what she had to go through for so many years with her disease. She can now rest, relieved of her affliction, God has her now and is looking after her. We all know she is in a better place.

*Love,
Mel Sharpe and family##imported-begin##Mel Sharpe##imported-end##*

“ *Dear friends. I am so sorry to hear of Cathy's passing. She put up a great fight, but now the fight is over and the battle is won! She is now whole again and praising Jesus!! I do envy her that :) Love and hugs to all. We will be praying for you all during this time of sorrow. It is our time of sorrow - not Cathy's. Please continue to celebrate her life and all that she brought to everyone she encountered.##imported-begin##Dena Kennedy##imported-end##*
